EQUIPMENT

Orbital Scrubbing

F14 ORBITAL FLOOR MACHINE

- F14 floor machine scrubs effectively with orbital motion
- Reach tight and confined areas easily with compact designs
- User-friendly designs for improved operator experience

CHEMICAL-FREE FLOOR FINISH REMOVAL

ORBITAL SCRUBBING

Remove finish from VCT floors safely and quickly with Tennant F14 Orbital Scrubbing floor machines. Experience even floor finish removal across the entire cleaning path with a rectangular scrub head that easily reaches into corners and hard-to-reach areas. Get a chemical-free floor finish removal alternative with the quality and reliability you expect from Tennant.

F14 ORBITAL FLOOR MACHINE

For compact spaces, use the F14 for powerful floor finish removal. Two standard weight sets are included at 48 lbs / 22 kg, and an optional set is available, adding an additional 24 lbs / 11 kg. Isolators reduce vibrations to the operator's hands, making operator ergonomics a priority.
