

Self-Contained Extractor EX-SC-412

Clean smaller areas quickly with this self-contained carpet extractor.

Easy to use

The lift-off recovery tank on this compact self-contained carpet extractor lets the operator empty the tank into a drain or sink with ease.

Enhanced user comfort and ease

Folding handle design adjusts to multiple positions for operator comfort. Plus, convenient trigger grips enable the user to dispense solution evenly through two spray jets. One-button cleaning simplifies operation.

Complete clean

Clear sight tube allows operators to view solution level and also easily drain excess solution when finished.
