

CREATING A CLEANER, SAFER, HEALTHIER WORLD.

B10

RIDER BURNISHER

- Burnish large and small areas quickly and easily
- Simplify machine operation and service with intuitive controls and automated burnisher head lift
- Improve Indoor Environmental Quality (IEQ) with active HEPA dust control and quiet operation

QUALITY PERFORMANCE WITH MORE STANDARD FEATURES.

SIMPLIFY MACHINE OPERATION AND MAINTENANCE

Automated head-lift and easy battery access allows for simple serviceability. Charge anywhere with integrated, on-board charger and cord management. Simple intuitive controls make the B10 easy to operate.

CUSTOMIZE YOUR CLEAN

Choose a 24 in / 610 mm or 27 in / 686 mm cleaning path. With 3 speeds and 3 down pressure settings, you can use one machine for many applications and environments.

ENGINEERED FOR POWER AND PERFORMANCE

Accommodates small and large areas quickly and easily with over 20% more horsepower than the leading competitor for bright, shiny floors.

IMPROVE INDOOR ENVIRONMENTAL QUALITY

Active 4-stage HEPA filtration dust control system increases indoor environmental quality and low 69 dBA sound level makes machine operation safe and comfortable, anytime, anywhere.

IMPROVE OPERATOR COMFORT AND PRODUCTIVITY

Ergonomically designed to make burnishing comfortable, the B10's compact riding design can cover large areas quickly while fitting in tight areas like doorways and elevators.

INSIDE THE

B10

CLEANING INNOVATIONS

QA Controls™ System

Lock-in consistent, repeatable cleaning results with exclusive QA Controls system. The "supervisor lock-out" simplifies operator experience and helps ensure a uniform speed and down pressure each time.

HydroLink® Battery Watering System* (optional feature)

HydroLink's easy-to-use design requires little to no training and protects operators from the possibility of acid contact and other risks associated with open battery maintenance. Save money by decreasing maintenance needs and increasing battery life and run time.

*HydroLink® is a registered trademark of Trojan Battery Company

- Simple, intuitive controls.
- Automated head-lift at 18° makes changing the pad safe and easy.
- True "Free Floating" burnisher head for more uniform burnishing across the cleaning path.
- 24 in / 609.6 mm or 27 in / 685.8 mm path widths help you customize your B10 to fit your needs.
- Active, 4-stage HEPA Dust Control comes standard to help improve IEQ.
- Easy battery access for simplified maintenance and serviceability.
- Integrated on-board charger with cord management.

TENNANTTRUE® PARTS, SERVICE AND FINANCE SOLUTIONS

- Reduce rework, labor and safety costs by using only TennantTrue parts and service.
- Ensure optimal cleaning performance by selecting a TennantTrue Service program provided by a network of over 400 factorytrained Tennant service representatives.
- Improve uptime by leveraging TennantTrue parts and service.
- Simplify budgeting by bundling TennantTrue service plans, including parts, into the purchase or financing of your machine.

Lease, Pre-Owned, Rent, Tennant has flexible options that get you the machines you need, however you need them.
