## SUPER C GREEN CLEANER AND DEGREASER

Super C Green Cleaner and Degreaser is a super-concentrated, non-corrosive degreaser and cleaner. It has a moderate PH and is user-friendly. Super C Green has unique rubber-mark removal ability, which is coupled with anti-redeposition qualities, to provide cleaner, safer surfaces. Very effective on carbon black, graphite, inks, sticky protein based soils

## FEATURES AND BENEFITS:

- Formulated to efficiently clean rubber tire marks on concrete floors.
- Special buffers allow cleaning power to be extended to all dilutions
- Designed to be green for environmentally safer cleaner.
